

### Themes and Planning

In the first week we are carrying on with our Superhero theme. Thursday 9<sup>th</sup> June is Dress up day (other days optional).

We then move on to 'Holidays', 'School Transitions', 'Summer' and 'Party Week' to say 'Good Bye' to our school leavers.

As part of our routine we do a lot of small group activities. This allows the key persons to work on specific areas with their key children, as well as enabling the staff to work with children according to their abilities.

If you have any questions please see your child's key person, Maddi or Sabine.

### Sick Children

Need picking up prompt.  
Children get 1:1 attention when poorly to reassure and comfort them and this takes a member of staff away from the team.

Please remember that your child will not be able to return to nursery until they have been clear of sickness/diarrhoea for 48 hours.

### Attached are:

- Songs, including a Makaton song for this half term.
- Top Tips for our School Leavers and Top Tips for Challenging Behaviour for all other children; because we like to share our practice with you :)

Thank you for all the fruit and vegetable donations, please keep up the good work, the children have a healthy snack twice a day. Jumbly's provides crackers, bread sticks or similar with butter for morning snack as well as milk and water to drink.
