

Happy New Year!

2017

Have a look at our new website.

It has a wealth of information on it, our calendar, updates and our facebook feed with weekly photographs and updates from both rooms.

Attached are:

- Chatwheel, please complete and return to your child's key person.
- Shared Learning: activities to support fine and gross motor skills for different ages/abilities.
- Songs of the term.
- Makaton signs of the terms.

★ You can help us by:

- ★ Arriving on time, it is easier for children to arrive during free play time and staff are free to talk to you. Our carpet times at the end of the sessions form an important part of children's learning, so unless you have to be somewhere, we would really appreciate your patience.
- ★ Name clothing, incl hats and lunch boxes. Marker pen will do :)
- ★ Fruit for lunchtime needs to be cut up/peeled.

Sick Children

We are sorry if we have to call you at work or home because your child is ill, but we are working hard at containing the spread of infections and are not able to give a poorly child the attention they need.

Please remember that your child will not be able to return to nursery until they have been clear of sickness/diarrhoea for 48 hours.

Themes and Planning

Our first theme is 'Winter', we'll be learning about how we dress for the cold, countries with cold climates, animals who live in the snow and plenty more.

Followed by 'Transport'. Planes, trains and all the rest of it :)

As part of our routine we do a lot of small group activities to support all areas of learning and development.

If you have any questions please see your child's key person, Maddi or Sabine.

Availability

We currently have sessions available in both rooms.

These can be booked permanently or on a temporary basis.

Please see Sabine, Cath or Maddi if you are interested.
