Medication

If your child is prescribed medication that he/she has not previously taken, he/she will not be able to come to nursery for the first 24 hours after taking this medication, in case of an allergic reaction.

Sick Children

Please remember that your child will not be able to return to nursery until they have been clear of sickness/diarrhoea for 48 hours.

Themes and Planning

We are starting the term with Story Week, building on stories, activities and interests from one week to the next. World Book Day: Thursday 2nd March, dress up as your favourite character.

This is followed by 'Space with a focus on building a 3D galaxy.

Followed up by a 'Spring' theme, learning about life cycles and natural growth leading up to Easter.

As part of our routine we do a lot of small group activities to support all areas of learning and development.

If you have any questions please see your child's key person, Maddi or Sabine.

Our new website is now mobile friendly.
Don't miss out on our weekly facebook updates, which you can see on the website.

★ You can help us by:

1. Please cut up fruit for lunchtime. Grapes, tomatoes etc. Grapes should be quartered length ways. Choking is an issue in nurseries and school s and we do not take this lightly.
- ★ Not letting your child bring in toys from home. This is causing numerous arguments and upsets, we have plenty of toys in the nursery.
- ★ Bringing in fruit/veg for our snack time.
- ★ Please label your child's belonging (coats, lunchboxes, hats etc.)
